

IBWG – Meeting the Criteria

Dear Members

Throughout 2010 we will continue to find ways to support you as individual business women and we ask that you support the group in return by ensuring that the guests you bring to our events and the ladies you put forward for membership do meet our criteria - Notably members must be Decision Makers (entrepreneurs, proprietors, partners, directors, general managers and senior level management).

The Committee reserves the right to ensure potential members meet this criteria.

IBWG Dubai Achievement Award 2010 - submit your nominations throughout the year!

In 2009 the IBWG Dubai launched its Achievement Award, designed to be a platform on which our members could post their latest business and personal successes. We now invite members to submit their nominations for the 2010 program.

The IBWG Dubai membership comprises a wonderfully talented, inspirational, motivated and ambitious group of women, and we want to highlight and recognise the valuable role that each of us plays in today's challenging business environment.

Do you know a member who:

- Has achieved outstanding success in her career or business?
- Overcome substantial obstacles to get where she is?
- Faces and embraces challenges, professionally and/or personally?
- Is a wonderfully supportive individual to other professional women?
- Is a staunch supporter or creator of community projects?

Members can nominate multiple members each month, and are also encouraged to self nominate. Nomination forms & updates on nominees available at Luncheons & Breakfasts. Full details of the IBWG Dubai Achievement Award 2010 initiative can be found on our website - www.ibwgdubai.com

Please return to claire@ibwgdubai.com Deadline for nominations is the 25th of each month.
